

## 1 Sunny Afternoon

The tax man's taken all my dough  
And left me in my stately home  
Lazin' on a sunny afternoon  
And I can't sail my yacht  
He's taken everything I got  
All I've got's this sunny afternoon

Save me, save me, save me from this  
squeeze  
I got a big fat mama tryna break me

Chorus  
And I love to live so pleasantly  
Live this life of luxury  
Lazin' on a sunny afternoon  
In the summertime  
In the summertime  
In the summertime

My girlfriend's run off with my car  
And gone back to her ma and pa  
Tellin' tales of drunkenness and cruelty  
Now I'm sittin' here  
Sippin' on my ice cold beer  
Lazin' on a sunny afternoon

Help me, help me, help me sail away  
Well, give me two good reasons why I  
oughta stay

Chorus

'Oh, save me, save me, save me from  
this squeeze  
I got a big fat mama tryna break me

Chorus

## 2 Under The Boardwalk

Oh, when the sun beats down it melts  
the tar up on the roof  
And your shoes get so hot you wish  
your tired feet were fire proof  
Under the boardwalk, down by the sea,  
yeah  
On a blanket with my baby that's where  
I'll be

Chorus  
(Under the boardwalk)  
Out of the sun  
(Under the boardwalk) We'll be havin'  
some fun  
(Under the boardwalk) People walking  
above  
(Under the boardwalk) We'll be fallin' in  
love  
Under the boardwalk...boardwalk

From the park you hear the happy  
sound of the carousel  
And you can almost taste the hot dogs  
and french fries they sell  
Under the boardwalk, down by the sea,  
yeah  
On a blanket with my baby, that's  
where I'll be

Chorus

## 3 World of our Own

Close the door, light the light  
We're stayin' home tonight  
Far away from the bustle and the bright  
city lights  
Let them all fade away, just leave us  
alone  
And we'll live in a world of our own

Chorus  
We'll build a world of our own that no  
one else can share  
All our sorrows we'll leave far behind us  
there  
And I know you will find there'll be  
peace of mind  
When we live in a world of our own

Oh, my love, oh my love, I've cried for  
you so much  
Lonely nights without sleeping while I  
longed for your touch  
Now your lips can't evade the  
heartache I've known  
Come with me to a world of our own

Chorus x 2

And I know you will find there'll be  
peace of mind  
When we live in a world of our own

#### **4 Saturday Night at the Movies**

Well, Saturday night at 8 o'clock  
I know where I'm gonna go  
I'm a-gonna pick my baby up  
And take her to the picture show  
Everybody in the neighborhood  
Is dressin' up to be there, too  
And we're gonna have a ball  
Just like we always do

Chorus  
Saturday night at the movies  
Who cares what picture you see  
When you're huggin' with your baby  
In the last row of the balcony?

Well, there's Technicolor and  
Cinemascope  
A cast out of Hollywood  
And the popcorn from the candy stand  
Makes it all seem twice as good  
There's always lots of pretty girls  
With figures they don't try to hide  
But they never can compare  
To the girl sittin' by my side

Chorus x 2

#### **5 Country Roads**

Almost heaven, West Virginia, Blue  
Ridge Mountains, Shenandoah River  
Life is old there, older than the trees,  
younger than the mountains, blowing  
like a breeze

Chorus  
Country roads, take me home to the  
place I belong  
West Virginia, mountain mamma, take  
me home, country roads

All my memories gather round her,  
miner's lady, stranger to blue water  
Dark and dusty, painted on the sky,  
misty taste of moonshine, teardrop in  
my eye

Chorus

I hear her voice in the morning hour,  
she calls me, the radio reminds me of  
my home far away  
And driving down the road I get a  
feeling that I should have been home  
yesterday, yesterday

Chorus

Take me home, them country roads

## 6 Mustang Sally

Mustang Sally, guess you better slow  
your mustang down  
Mustang Sally, now baby, guess you  
better slow your mustang down  
You been running all over town now  
Oh! I guess I'll have to put your flat feet  
on the ground

Chorus

Listen

All you want to do is ride around Sally,  
ride, Sally, ride

All you want to do is ride around Sally,  
ride, Sally, ride

All you want to do is ride around Sally,  
ride, Sally, ride.

All you want to do is ride around Sally,  
ride, Sally, ride

One of these early mornings, you  
gonna be wiping your weeping eyes

I bought you a brand new mustang  
nineteen sixty five.  
Now you come around signifying a  
woman, you don't wanna let me ride  
Mustang Sally, now baby, guess you  
better slow that mustang down  
You been running all over the town  
Oh! I got to put your flat feet on the  
ground.

Chorus

## 7 Bohemian Rhapsody

Is this the real life?  
Is this just fantasy?  
Caught in a landside,  
No escape from reality  
Open your eyes,  
Look up to the skies and see,  
I'm just a poor boy, I need no sympathy,  
Because I'm easy come, easy go,  
Little high, little low,

Any way the wind blows doesn't really  
matter to me, to me

Mamaaa, just killed a man,  
Put a gun against his head, pulled my  
trigger, now he's dead  
Mamaaa, life had just begun,  
But now I've gone and thrown it all  
away  
Mama, oooh,  
Didn't mean to make you cry,  
If I'm not back again this time tomorrow,  
Carry on, carry on as if nothing really  
matters

Too late, my time has come,  
Sends shivers down my spine, body's  
aching all the time  
Goodbye, everybody, I've got to go,  
Gotta leave you all behind and face the  
truth

Mama, oooh  
I don't want to die,  
I sometimes wish I'd never been born  
at all.

I see a little silhouetto of a man,  
Scaramouch, Scaramouch, will you do  
the Fandango!  
Thunderbolts and lightning, very, very  
frightening me  
Galileo, Galileo  
Galileo, Galileo  
Galileo, Figaro - magnificoo

I'm just a poor boy nobody loves me  
He's just a poor boy from a poor family,  
Spare him his life from this monstrosity

Easy come, easy go, will you let me go  
Bismillah! No, we will not let you go  
(Let him go!) Bismillah! We will not let  
you go  
(Let him go!) Bismillah! We will not let  
you go  
(Let me go) Will not let you go  
(Let me go) Will not let you go  
(Let me go)  
No, no, no, no, no, no, no

Oh mama mia, mama mia, mama mia,  
let me go  
Beelzebub has a devil put aside for me,  
for me, for meee

(Big piano solo lead break)

So you think you can stone me and spit  
in my eye  
So you think you can love me and  
leave me to die  
Oh, baby, can't do this to me, baby,  
Just gotta get out, just gotta get right  
outta here

(Another big piano solo!)

Nothing really matters, Anyone can  
see,  
Nothing really matters,  
Nothing really matters to me

(Final bit of instrumental denouement  
before....)  
Any way the wind blows...

## 8 Wild World

La la la, La la la, La la la

Now that I've lost everything to you  
You say you want to start something  
new  
And it's breaking my heart you're  
leaving  
Baby I'm grievin'  
But if you want to leave take good care  
Hope you have a lot of nice things to  
wear  
But then a lot of nice things turn bad  
out there

Chorus  
Oh baby baby it's a wild world  
It's hard to get by just upon a smile  
Oh baby baby it's a wild world  
I'll always remember you like a child girl

You know I've seen a lot of what the  
world can do  
And it's breaking my heart in two  
'Cause I never want to see you sad girl  
Don't be a bad girl  
But if you want leave take good care  
Hope you make a lot of nice friends out  
there  
But just remember there's a lot of bad  
and beware

Chorus

La la la, La la la  
Baby I love you, but if you want to  
leave take good care  
Hope you make a lot of nice friends out  
there  
But just remember there's a lot of bad  
and beware.....beware

Chorus

## 9 Georgie Girl

Hey there, Georgie girl  
Swinging down the street so fancy-free  
Nobody you meet could ever see the  
loneliness there - inside you

Hey there, Georgie girl  
Why do all the boys just pass you by?  
Could it be you just don't try or is it the  
clothes you wear?

You're always window shopping but  
never stopping to buy  
So shed those dowdy feathers and fly -  
a little bit

Hey there, Georgie girl  
There's another Georgie deep inside  
Bring out all the love you hide and, oh,  
what a change there'd be  
The world would see, a new Georgie  
girl

Bah bah dah bah dup bah dah dah ba  
dup bah dah da  
Hey there, Georgie girl  
Dreaming of the someone you could be  
Life is a reality, you can't always run  
away

Don't be so scared of changing and  
rearranging yourself  
It's time for jumping down from the  
shelf - a little bit

Hey there, Georgie girl  
There's another Georgie deep inside  
Bring out all the love you hide and, oh,  
what a change there'd be  
The world would see a new Georgie girl  
Wake up, Georgie girl  
Come on, Georgie girl  
Wake up, Georgie girl

## 10 Peace Train

Now I've been happy lately  
Thinking about the good things to come  
And I believe it could be  
Something good has begun  
Oh, I've been smiling lately  
Dreaming about the world as one  
And I believe it could be  
Someday it's going to come

'Cause out on the edge of darkness  
There rides the peace train  
Oh, peace train take this country  
Come take me home again

Now I've been smiling lately  
Thinkin' about the good things to come  
And I believe it could be  
Something good has begun

Chorus  
Oh, peace train sounding louder  
Glide on the peace train  
Ooh-ah, ee-ah, ooh-ah  
Come on now, peace train  
Yeah, peace train holy roller  
Everyone jump upon the peace train  
Ooh-ah, ee-ah, ooh-ah **\*\***(last time)  
Come on now, peace train

Get your bags together  
Go bring your good friends too  
Because it's getting nearer  
Soon it will be with you  
Now come and join the living  
It's not so far from you  
And it's getting nearer  
Soon it will all be true

Chorus and instrumental

Now I've been crying lately  
Thinkin' about the world as it is  
Why must we go on hating?  
Why can't we live in bliss?  
'Cause out on the edge of darkness  
There rides a peace train  
Oh, peace train take this country  
Come take me home again

Chorus

Come on, come on, come on  
Yeeaah, it's the peace train  
Yes it's the peace train  
Ooh-ah, ee-ah, ooh-ah  
Come on now, peace train

## 11 The Boxer

I am just a poor boy  
Though my story's seldom told  
I have squandered my resistance  
For a pocketful of mumbles such are  
promises  
All lies and jest  
Still a man hears what he wants to hear  
And disregards the rest, mmmm

When I left my home and my family  
I was no more than a boy  
In the company of strangers  
In the quiet of a railway station running  
scared  
Laying low, seeking out the poorer  
quarters  
Where the ragged people go  
Looking for the places only they would  
know

Lie la lie.....

Asking only workman's wages  
I come looking for a job  
But I get no offers  
Just a come-on from the horse on  
Seventh Avenue  
I do declare there were times when I  
was so lonesome  
I took some comfort there oo la la la

Now the years are rolling by me  
They are rocking evenly  
And I am older than I once was  
younger than I'll be, but that's not  
unusual  
No it isn't strange after changes upon  
changes  
We are more or less the same  
After changes we are more or less the  
same  
Lie La lie.....

Then I'm laying out my winter clothes  
And wishing I was gone, going home  
Where the New York City winters aren't  
bleeding me  
Leading me, to going home

In the clearing stands a boxer  
And a fighter by his trade  
And he carries the reminders  
Of every glove that laid him down  
And cut him 'til he cried out  
In his anger and his shame  
"I am leaving, I am leaving"  
But the fighter still remains, mhmm

Lie La lie....a lot....

## **12 Rolling Home**

(Expurgated for sanity)

Chorus:  
Rolling home, when we go rolling home  
When we go rolling, rolling  
When we go rolling home

Round goes the wheel of fortune, don't  
be afraid to ride  
There's a land of milk and honey waits  
on the other side  
There'll be peace and there'll be plenty,  
you'll never need to roam  
When we go rolling home, when we go  
rolling home

The gentry in their fine array, they  
prosper night and morn  
While we unto the fields must go to  
plough and sow the corn  
The rich they steal the power, but the  
glory's ours alone  
When we go rolling home, when we go  
rolling home

Pass the bottle round and let the toast  
go free  
Here's a health to every labourer  
wherever they may be  
Fair wages are now or never, let's reap  
what we have sown  
When we go rolling home, when we go  
rolling home

## **13 Wake up Lil' Suzie**

Wake up, little Susie, wake up  
Wake up, little Susie, wake up

The movie wasn't so hot  
It didn't have much of a plot  
We fell asleep, our goose is cooked  
Our reputation is shot

Wake up, little Susie  
Wake up, little Susie

We've both fell sound asleep  
Wake up, little Susie and weep  
The movie's over, it's four o'clock  
And we're in trouble deep

Wake up, little Susie  
Wake up, little Susie  
We gotta go home

Well, what we gonna tell your mama?  
What we gonna tell your pa'?  
What we gonna tell our friends when  
they say  
"Ooh, la, la"?

Wake up, little Susie  
Wake up, little Susie

Well, I told your mama that we'd be in  
by ten  
Well, Susie, baby, looks like we goofed  
again

Wake up, little Susie  
Wake up, little Susie  
We gotta go home

Wake up, little Susie, wake up  
Wake up, little Susie, wake up

Well, what we gonna tell your mama?  
What we gonna tell your pa'?  
What are we gonna tell our friends  
when they say  
"Ooh, la, la"?

Wake up, little Susie  
Wake up, little Susie  
Wake up, little Susie

## 14 Ruby Tuesday

She would never say where she came  
from  
Yesterday don't matter if it's gone  
While the sun is bright  
Or in the darkest night  
No one knows, she comes and goes

Chorus  
Goodbye, Ruby Tuesday  
Who could hang a name on you?  
When you change with every new day  
Still, I'm gonna miss you

Don't question why she needs to be so  
free  
She'll tell you it's the only way to be  
She just can't be chained  
To a life where nothing's gained  
And nothing's lost, at such a cost

Chorus

"There's no time to lose, " I heard her  
say  
Catch your dreams before they slip  
away  
Dying all the time  
Lose your dreams and you could lose  
your mind  
Ain't life unkind?

Chorus x 2

## 15 Eight Days a Week

Ooh I need your love babe,  
I Guess you know it's true.  
Hope you need my love babe,  
Just like I need you.

Hold me, love me, hold me, love me.  
Ain't got nothin' but love babe,  
Eight days a week.

Love you ev'ry day girl,  
Always on my mind.  
One thing I can say girl,  
Love you all the time.

Hold me, love me, hold me, love me.  
Ain't got nothin' but love babe,  
Eight days a week.

Eight days a week  
I love you.  
Eight days a week  
Is not enough to show I care.

(Repeat the lot except the last chunk)

### **16 Delilah**

(All the vocal instrumental bits are yours)

I saw the light on the night that I  
passed by her window (Ohohohooo)  
I saw the flickering shadows of love on  
her blind (Ohohohooo)  
She was my woman  
As she deceived me, I watched and  
went out of my mind

My, my, my, Delilah  
Why, why, why, Delilah  
I could see, that girl was no good for  
me  
But I was lost like a slave that no man  
could free

At break of day when that man drove  
away, I was waiting  
I crossed the street to her house and  
she opened the door  
She stood there laughing (hysterically!)  
I felt the knife in my hand and she  
laughed no more

My, my, my, Delilah  
Why, why, why, Delilah  
So before they come to break down the  
door  
Forgive me Delilah, I just couldn't take  
anymore

(Vocal instrumental)

She stood there laughing  
I felt the knife in my hand and she  
laughed no more

My, my, my, Delilah  
Why, why, why, Delilah  
So before they come to break down the  
door  
Forgive me, Delilah, I just couldn't take  
anymore  
Forgive me, Delilah, I just couldn't take  
anymore

### **17 American Pie**

(The Expurgated Version...the one without the  
jester...and Satan)

A long long time ago, I can still  
remember  
How that music used to make me smile  
And I knew if I had my chance  
That I could make those people dance  
And maybe they'd be happy for a while  
But February made me shiver  
With every paper I'd deliver  
Bad news on the doorstep  
I couldn't take one more step  
I can't remember if I cried  
When I read about his widowed bride  
But something touched me deep inside  
The day the music died

Chorus

So bye-bye, Miss American Pie  
Drove my Chevy to the levee  
But the levee was dry  
Them good old boys were drinking  
whiskey and rye  
Singing, "This'll be the day that I die"  
This will be the day that I die

Did you write the Book of Love?  
And do you have faith in God above?  
If the Bible tells you so  
And do you believe in rock 'n' roll?  
Can music save your mortal soul?  
And can you teach me how to dance  
real slow?  
Well I know that you're in love with him  
'Cause I saw you dancing in the gym  
You both kicked off your shoes  
Then I dig those rhythm and blues  
I was a lonely teenage broncin' buck  
With a pink carnation and a pickup  
truck  
But I knew I was out of luck  
The day the music died

Chorus

I met a girl who sang the blues  
And I asked her for some happy news  
But she just smiled and turned away  
So I went down to the sacred store  
Where I'd heard the music years before  
But the man there said the music  
wouldn't play  
And in the streets, the children  
screamed  
The lovers cried and the poets  
dreamed  
But not a word was spoken  
The church bells all were broken  
And the three men I admire most  
The Father, Son, and the Holy Ghost  
They caught the last train for the coast  
The day the music died

And they were singing ....the chorus  
twice...except for that last line...

## **18 Those Were The Days**

Once upon a time there was a tavern  
Where we used to raise a glass or two  
Remember how we laughed away the  
hours  
And think of all the great things we  
would do?

Chorus

Those were the days, my friend  
We thought they'd never end  
We'd sing and dance forever and a day  
We'd live the life we choose  
We'd fight and never lose  
For we were young and sure to have  
our way  
La-la-la-da-da-da  
La-la-la-da-da-da  
Da-da-da-da, la-da-da-da-da

Then the busy years went rushing by  
us  
We lost our starry notions on the way  
If by chance I'd see you in the tavern  
We'd smile at one another and we'd  
say

Chorus

Just tonight I stood before the tavern  
Nothing seemed the way it used to be  
In the glass I saw a strange reflection  
Was that lonely woman really me?

Chorus plus extra la-la-las

## **19 Can't Help Falling in Love (With You)**

Wise men say  
Only fools rush in  
But I can't help falling in love with you

Shall I stay?  
Or would it be a sin  
If I can't help falling in love with you?

Like a river flows  
Surely to the sea  
Darling, so it goes  
Some things are meant to be

Take my hand  
Take my whole life, too  
For I can't help falling in love with you

Like a river flows  
Surely to the sea  
Darling, so it goes  
Some things are meant to be

Take my hand  
Take my whole life, too  
For I can't help falling in love with you  
For I can't help falling in love with you
